Re: Notification of United States data buoys per Resolution C-11-03

Dear Dr. Compeán:

Pursuant to Resolution C-11-03, Resolution Prohibiting Fishing on Data Buoys, this letter notifies the Commission of an update regarding anchored data buoys that are in the IATTC Convention Area. On November 26, 2014, the National Marine Fisheries Service submitted to the IATTC a list of data buoys, and the corresponding locations, to which Resolution C-11-03 applies. Since then, the locations of several of the data buoys have been updated. The enclosed list reflects the most current information, which was provided by NOAA’s National Data Buoy Center (NDBC) on May 8, 2015. The Commission may obtain additional information directly from NDBC’s website: http://www.ndbc.noaa.gov/.

Please circulate this letter to all Commission members and cooperating non-members. If there are any questions regarding the United States reporting under Resolution C-11-03, then please contact me at 562-980-4039 or at Heidi.Taylor@noaa.gov.

Sincerely,
