Ref: Well volume review group, April 2005

An *ad hoc* review group was called for at the last AIDCP meetings in February 2005 to review and verify information held by the Secretariat on vessel well volumes. The reviewers will meet in the IATTC headquarters in La Jolla from April 25-28, 2005 starting at 9 a.m. Participation should be no more than two persons per delegation. Simultaneous translation will not be available. More information about the meeting will be provided shortly.

There are several hotels nearby, but the following is the closest:

- **Radisson Hotel**, 3299 Holiday Court, La Jolla, CA 92037; Tel: (858) 453-5500, Fax: (858) 453-5550, sales@radissonlj.com. IATTC rate US\$119 plus 10.5% tax, single or double; includes transportation to and from the San Diego airport. The deadline for making reservations at this rate is March 24, 2005.

It is recommended that reservations be made as soon as possible as there are a limited number of rooms reserved under our name. There are several shuttle services from the San Diego airport to hotels in the area; the Cloud 9 Shuttle costs about US\$13 each way, others are somewhat higher.

It would be much appreciated if you would inform Ms. Alejandra Ferreira as soon as possible, by e-mail at aferreira@iattc.org or by fax at (858) 546 7133, of the names of those intending to attend the meetings.

Thank you.
