

**PROCEEDINGS OF THE INTERNATIONAL SYMPOSIUM ON
SELENIUM—MERCURY INTERACTIONS**

Held February 22--24, 2007, in La Jolla, California, the Symposium addressed the safety of seafood with regard to its mercury content. To find out what leading international experts think about the mercury scare, order the Proceedings of this Symposium, published in a special issue of the peer-reviewed journal, *Biological Trace Element Research*, the official journal of the International Association of Bioinorganic Scientists and of the World Biomedical Selenium Society. Cost per copy including first-class postage and handling:

USA \$27.00

Canada & Mexico US\$28.00

Elsewhere: US\$30.50

Payment can be made by cashier's check or money order in US dollars; Visa and MasterCard accepted.

To order, write to:

Dr. M. F. Flores-Arce, Managing Editor, Biological Trace Element Research Institute, 2400 Boswell Rd., Ste. 200, Chula Vista, Calif., 91914-3553, or send an e-mail message to <mailto:mflores-arce@ucsd.edu>.
