Dear Dr. Arnulfo Franco,

In accordance with paragraph 19 of the Resolution C-12-07, I hereby provide you with the report on transshipments carried out by our fishing vessels during the period of 2021.

For the quantities by species transshipped and the name of the vessels carrying out transshipment in 2021, please refer to attachment 1 and attachment 2 respectively.

After verifying our 2021 statistic data of transshipments provided by our fishing vessels and the IATTC observer reports provided by the Secretariat, we conclude as follows.

1. On the page 8 In the IATTC Observer Report trip number IATTC447, the vessel HONG YANG 9 should be flagged China instead of Taiwan.
2. The transshipment activities information recorded in IATTC observer reports provided by IATTC Secretariat, including date, location, vessels name, species and amount observed are able to match our statistic data.

Sincerely yours,
