Dear Dr. Franco,

In accordance with paragraph 19 of the Resolution C-22-03, I hereby provide you with the report on transshipments carried out by our fishing vessels during the period of 2025.

For the quantities by species transhipped and the name of the vessels carrying out transshipment in 2025, please refer to attachment 1 and attachment 2 respectively.

After verifying our 2025 statistic data of transshipments provided by our longline vessels and the IATTC observer reports provided by the Secretariat, we conclude as follows. Except for a very few trips where there is a one-day discrepancy in the transshipment date, the transshipment activities information recorded in IATTC observer reports provided by IATTC Secretariat, including date, location, vessels name, species and amount observed are able to match our statistic data.

Best regards,

Hsiang-Yi Yu
