

AN INDEXED BIBLIOGRAPHY OF PAPERS ON TAGGING OF BILLFISHES

Compiled by William H. Bayliff

PAPERS OF SPECIAL INTEREST

Two of these papers (Arnold and Dewar, 2001; Gunn and Block, 2001) contain detailed information on electronic tagging. The other seven contain information on the history of fish tagging and on materials and methods for tagging fish, recovering the tags, and handling the recapture data.

BILLFISH NEWSLETTERS

The Billfish Newsletters of the Southwest Fisheries Science Center of the U.S. National Marine Fisheries Service contain considerable information on billfish tagging. The Billfish Newsletters for 1995-2002 can be viewed at <http://swfsc.ucsd.edu/billfish.html>, and that for 2004 can be viewed at <http://www.themarlinclub.com/2005/2004BillfishNewsletter.htm>.
