DOCUMENT COR-04-04 (REVISED)

IATTC IUU VESSEL LIST

IATTC Resolution [C-05-07](#) requires the establishment of a list of vessels presumed to have carried out illegal, unreported and unregulated (IUU) fishing activities in the eastern Pacific Ocean (EPO), based on information collected by Members and cooperating non-Members and obtained from any other relevant sources.

The procedure for compiling the List is as follows:

1. Members transmit to the Director, before 1 February, a list of any vessel presumed to have carried out IUU fishing activities in the EPO during the current and previous years, together with supporting evidence;
2. On the basis of this information, the Director prepares a draft IATTC IUU Vessel List and circulates it, with the supporting evidence, to Members and to non-Members with vessels on the List, before 1 March. Before 15 April, comments on the draft List are to be transmitted to the Director;
3. The Director prepares a provisional IATTC IUU Vessel List, and transmits it, with the supporting evidence, to the members and the non-Members concerned, two weeks in advance of the Annual Meeting of the Commission.

Resolution C-05-07 also establishes, *inter alia*, that:

1. The Review Committee¹ shall each year examine the provisional IATTC IUU Vessel List, as well as any relevant information provided by members.
2. The Review Committee shall remove a vessel from the provisional IATTC IUU Vessel List if the vessel's flag State demonstrates that:
 - a. The vessel did not engage in any of the IUU fishing activities described in paragraph 1 of the Resolution, or
 - b. Effective action has been taken in response to the IUU fishing activities in question, including, *inter alia*, prosecution, and imposition of sanctions of adequate severity.
3. Following the examination referred to in the above paragraph, the Review Committee shall recommend that the Commission approve the provisional IATTC IUU Vessel List, as amended by the Review Committee.

¹ Resolution C-05-07 refers to the IATTC-AIDCP Joint Working Group on Fishing by Non-Parties, which was dissolved after the entry into force of the Antigua Convention; its functions with regard to the IATTC were assumed by the Review Committee.

On 25 February 2013, The Director notified the Members of the Commission and the governments of Bolivia, Cook Islands, Georgia, Honduras and Indonesia (memorandum 077-410) that no vessels were nominated for inclusion in the IUU List, so the Commission would not have a provisional list for this year.

On 06 March 2013 Colombia requested that the vessel *Marta Lucia R.* be withdrawn from the IUU List.

The current IATTC IUU Vessel Lists is attached as Appendix A. The vessels included will remain on the list until the Commission decides otherwise.
